

PUBLIC DAILY LEDGER

SIXTH YEAR.

MAYSVILLE, KY., WEDNESDAY, OCTOBER 6, 1897.

ONE CENT.

CIRCULATION
LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "buck" free any more than a merchant can lose over his customer two cents of goods or money. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

HECHINGER & CO.'S FALL STYLES

Are Shown in Scores of Handsome New Cuts!

Weavers' wits were never more versatile in producing attractive loom effects. Skill in wholesale tailoring has made marvelous progress in recent years. No better evidence is needed than a critical inspection of ready-to-wear clothing made for them. There is a nicety of detail, a carefulness of finish, a symmetry of cut that denotes master minds and master hands. This not only has reference to their clothing, but also to their other different departments. Nowhere will you see so handsome a display of Gentlemen's Furnishing Goods, Fine Shirts, Hats, Collars and Ties as Hechinger & Co. show.

Have You Looked at Their Stock of Smith & Stoughton

SHOES?

Recognizing the needs of their patrons, Hechinger & Co. arranged with Messrs. Smith & Stoughton, one of the most prominent manufacturers of fine Men's Shoes in the country, to sell their goods. See their window display of them and you will not wonder that although but thirty days elapsed since the first shipment arrived they are already doing the Men's Fine Shoe business of the town.
